MSPCA Dog Adoption Form

Many of our dogs have experienced an unhappy time. Our chief concern at the MSPCA is that the dogs and puppies go to a PERMANENT home where they will be happy and well cared for, for the rest of their lives.

Our first duty is to the DOG

We hope to match each dog to a suitable owner and to help ensure this we ask all prospective owners to answer the following questions honestly.

PLEASE NOTE

- You will be asked to provide confirmation of your name and address.
- If you live in rented accommodation, written permission from the owner will be required.
- If you own a dog already, the dogs must be introduced before a home check is completed.
- You will be visited in your home to check the house and garden / yard, and to discuss the history of the dog and offer advice.
- Follow up visits may be made on dogs placed in a new home.
- The dogs and puppies are the responsibility of the Society and are rehomed at our discretion. *We may refuse to rehome an animal without giving a reason.*
- The Society cannot accept responsibility for the temperament of any dog after rehoming.
