MSPCA Small Animal Adoption Form

Many of our small animals have experienced an unhappy time. Our chief concern at the MSPCA is that the small animals go to a PERMANENT home where they will be happy and well cared for, for the rest of their lives.

Our first duty is to the ANIMAL

We hope to match each animal to a suitable owner and to help ensure this we ask all prospective owners to answer the following questions honestly.

PLEASE NOTE

- You will be asked to provide confirmation of your name and address.
- If you live in rented / commissioners accommodation, written permission from the owner will be required. Without this, we are unable to allow you to take the cat.
- The cats and kittens are the responsibility of the Society and are rehomed at our discretion. *We may refuse to rehome an animal without giving a reason.*
