

Remembering a Dear Departed Friend

The MSPCA have designed a small quiet flowered garden where you can remember your beloved cat. For a once-off cost of £35 we will supply and mount a tasteful brass coloured A5 sized plaque within this area. The Garden will be maintained and the plaques kept clean to provide a fitting tribute to your pet.

Simply write your message here (up to 20 words max.) to be engraved in black lettering on a weather proof brass effect background.
